- 一、The United States has proposed hosting a Putin–Zelenskyy meeting in Budapest, while also intensifying tariff measures against European allies. Draft an official statement of approximately 500 words, analyzing how these moves may affect NATO cohesion and European stability, and how Taiwan should calibrate its diplomacy accordingly. (25 points)
- 二、Compare the US withdrawal from the Trans-Pacific Partnership, its return to the Paris Agreement, and its current tariff diplomacy. Draft an official commentary of approximately 500 words, assessing which approach best serves global stability, and what lessons Taiwan should draw for its foreign policy. (25 points)
- 三、India and China have cautiously eased tensions despite unresolved border disputes. Draft a General Assembly resolution that emphasizes international adjudication, and regional dialogue. Include at least six operative clauses. (25 points)
- 四、With the UN Secretary-General describing Gaza as a “horror show,” write an official commentary of approximately 500 words that weighs humanitarian intervention against state sovereignty. Reflect on how Taiwan should approach similar debates in the UN system. (25 points)
