- 一、The seemingly prevalent rise of far-right parties in Europe has raised concerns about its potentially multifaceted impacts on the diplomatic efforts of Taiwan (R.O.C.). Draft an official response to these possible impacts. (25%)
- 二、In recent years, the German magazine Compact has frequently featured inflammatory rhetoric and extremism, such as “Asylbombe” (asylum bomb) and “Impf-Diktatur” (vaccine dictatorship). A couple of months ago, German Interior Minister Nancy Faeser, citing threats to constitutional order and social stability, banned this magazine and raided the magazine’s offices and the editor’s home in various states. This action has ignited a debate within German society regarding media freedom. Draft an official commentary on this piece of news. (25%)
- 三、Draft an official commentary from the political, ethical, and moral considerations in an educational setting on the controversy surrounding free speech that has arisen from U.S. students’ protests against Israel’s actions in the Israel-Hamas conflict. (25%)
- 四、Draft an official commentary both on the United States’ 2001 withdrawal from the Kyoto Protocol and on its 2017 withdrawal from and 2021 re-entry into the Paris Agreement. (25%)
